- Weight: 58lbs
- Warranty: (5) Years

This ergonomic phlebotomy cart is designed to bring all supplies directly to the patient. It features an antimicrobial powder-coated surface that helps protect the product by inhibiting the growth of stain- and odor-causing bacteria. The cart can easily transition across multiple surfaces and has an adjustable height, ranging from 29.5" to 43". It comes assembled on a metal base for a stable foundation, an auto-lift handle for height adjustment, an open storage bin, and a space-saving locking drawer with universal dividers, a glove box, and sharps container to maximize storage.

Phlebotomy Cart Package

Medical Carts for Healthcare

Proudly Made in the USA
